

Better engine oils
Power to protect. Power to perform.

TOP PERFORMANCE DX 5W/30

PRODUCT CODE: T0696

TOP PERFORMANCE DX 5W/30 High-performance passenger car engine oil developed to provide protection against low speed pre-ignition and improve vehicle performance in naturally aspirated and turbocharged petrol engines. Offering supreme levels of performance with enhanced resistance to LSPI, oxidation, engine cleanliness and turbocharger protection. Incorporating our specialist Adaptive Molecular Technology to maintain power, optimise efficiency and improve reliability, these technologies work synergistically to reduce internal friction to lower fuel consumption and minimise engine wear.

BENEFITS:

- Compatible with emissions devices including three-way catalysts (TWC).
- Controls LSPI (low speed pre-ignition) whilst maintaining high levels of detergency, keeping engines clean. Excellent low temperature performance.
- High performance & advanced anti-wear technology helps to protect engine components.
- Increases engine life even in start-stop driving conditions.
- Suitable for select hybrid vehicles depending on OEM requirements.

Exceeds the following performance requirements:

- API SP+RC ILSAC GF-6A
- CHRYSLER MS-6395
- FORD WSS-M2C946-A
- GM DEXOS1™ GEN 3*
- SUITABLE FOR HONDA *BACKWARD COMPATIBLE WITH PREVIOUS GENERATION DEXOS1™

TYPICAL ANALYSIS:

Flash Point (°C)	ASTM D92	>200
Kinematic Viscosity @ 40°C (mm/s ²)	ASTM D445	60
Kinematic Viscosity @ 100°C (mm/s ²)	ASTM D445	11
Pour Point (°C)	ASTM D97	<-40
Total Base Number (mg KOH/g)	ASTM D2896	7
Viscosity Index	ASTM D2207	178
