

Better engine oils 
Power to protect. Power to perform.

TOP PERFORMANCE GVX 0W/30

PRODUCT CODE: TO69399

TOP PERFORMANCE GVX 0W/30 A fully synthetic and mid SAPS engine oil formulated for use with petrol and diesel engines. Our specialist Adaptive Molecular Technology maintains engine power, maximises efficiency and improves reliability whilst supporting exhaust after-treatment devices throughout the vehicle's lifecycle in mixed and stop-start driving conditions. Ideal for modern engines that require a high level of protection in cold conditions.

BENEFITS

- Advanced anti-wear technology helps to protect engine components.
- Compatible with diesel particulate filters (DPF) and three-way catalysts (TWC), including vehicles utilising SCR technology.
- Engineered to have good oxidation resistance, thermal stability and superb low temperature performance.
- High standards of engine cleanliness. Increased performance and fuel efficiency.
- Offers extended service intervals.

Exceeds the following performance requirements:

- ACEA C3
- BMW LL-04
- MERCEDES-BENZ 229.52
- PORSCHE C30
- VW 504.00/507.00
- SUITABLE FOR GENERAL MOTORS
