

Better engine oils
Power to protect. Power to perform.

TOP PERFORMANCE RN17 0W/20

PRODUCT CODE: T069396

TOP PERFORMANCE RN17 0W/20 a full synthetic mid SAPS engine oil, especially formulated to meet the RN 17 FE specification. This oil is applicable to certain petrol engines as well as diesel engines (Euro 6d as from mid 2018) from Renault and Dacia. This engine oil is also suitable for vehicles where ACEA C5 is prescribed. Please note this oil is NOT backward compatible to other Renault specifications as RN 17, RN 17 RSA, RN 700, RN 710 and RN 720. It is a low viscosity engine oil, that contributes to fuel efficiency without compromising wear protection, even under high temperatures during extended drain intervals. Further, this oil provides fast lubrication under cold weather conditions and at start-stop situations. Catalytic converters and particle filters are extremely well protected by this well balanced mid SAPS oil.

BENEFITS

Exceeds the following performance requirements:

- ACEA C5
- Renault RN17 FE

TYPICAL ANALYSIS:

Color	amber
Density at 20°C	0.84 kg/l
Viscosity, kinematic at 40°C	39 cSt
Viscosity, kinematic at 100°C	8.2 cSt
Viscosity index	190
Flash point	220 °C
Pour point	-48 °C
