

Better engine oils 
Power to protect. Power to perform.

TOP PERFORMANCE VFE OW20

PRODUCT CODE: TO1201

TOP PERFORMANCE VFE OW20 The latest generation fully synthetic and mid saps engine oil formulated for use with modern petrol and diesel engines, particularly vehicles in the VW Group. Utilising a combination of a unique additive technology and our specialist Adaptive Molecular Technology to maintain engine power, maximum efficiency and improves reliability whilst supporting exhaust after-treatment devices throughout the vehicle's lifecycle in mixed driving conditions.

BENEFITS:

- Advanced anti-wear technology helps to protect engine components.
- Compatible with diesel particulate filters (DPF) and three-way catalysts (TWC), including those utilising SCR technology.
- Contains a chemical marker as specifically required by VW.
- Excellent low temperature performance. Exceptional fuel economy.
- High performance with outstanding wear protection.
- Maintains very high standards of engine cleanliness.

Exceeds the following performance requirements:

- ACEA C5
- PORSCHE C20
- VW 508.00/509.00

TYPICAL ANALYSIS:

Colour	Green
Density @ 15°C	0.834
Kinematic Viscosity @ 100°C (cSt)	7.7
Kinematic Viscosity @ 40°C (cSt)	38.6
Viscosity index	174
Sulphated ash (% weight)	0.80
TBN (mg KOH / g)	8.2
