

Better engine oils

Power to protect. Power to perform.

TOP SUPREME DUTY 5W-20 LDF 5

PRODUCT CODE:

TOP SUPREME DUTY 5W-20 LDF 5 a fully synthetic engine oil designed to offer the user exceptional fuel saving benefits. It achieves this by using a state of the art synergistic combination of premium synthetic base stocks and performance additives blended to an SAE 5W-20 viscosity grade. Compatible with after-treatment devices fitted in modern heavy duty diesel engines such as diesel particulate filters and selective catalytic reduction units and provides extended oil drain intervals even in severe on-highway operating conditions.

BENEFITS:

- Improves fuel economy
- Fully synthetic long drain formulation
- Compatible with after treatment systems such as DPFs
- Outstanding thermal and oxidative stability
- Excellent low temperature pumpability

Exceeds the following performance requirements:

- Recommended for use in certain Euro 6 Scania and MAN engines fitted to trucks and buses. These include:
 - Scania DC13 173, 174, 175 and 176 engines.
 - MAN D26 and D38 units.
 - Scania LDF-5
 - MAN M397

TYPICAL ANALYSIS:

Appearance	Green liquid
Specific Gravity @ 15°C	0.858
Kinematic Viscosity @ 100°C	8.2
Kinematic Viscosity @ 40°C	47.1
Viscosity Index	148
TBN (mg KOH/g)	13.0
Pour Point (°C)	-42
Flash Point, Open (°C)	228
